All boys & girls (6-8yrs old) are welcome to come out and train with our Academy every Friday. Academy programs seek to improve individual player development, satisfaction and retention, and to build a less pressured youth soccer environment.

This program is for U-5 thru U8 Boys and Girls who will be the key to any programs ongoing success. We are committed to the development of our players love for the game and development as a player. Whether they go on to earn a college scholarship, play professionally or simply improve through the Cerritos United ranks to become a member of a team, our dedication to the individual's progress will never waiver.
